

# Certificate of Compliance

<b>Description:</b> 3L Expansion Bag	<b>Catalog #:</b>	91-200-86
	<b>Lot #:</b>	707102
	<b>Expiration Date:</b>	AUG 2023
	<b>Irradiation Date:</b>	AUG 2021
<b>Storage</b> -20 to 40°C	<b>Country of Manufacture:</b>	USA

**Notes:**

This is to certify that this product has been manufactured in a manner compliant with current Good Manufacturing Practices (cGMPs), FDA regulation 21 CFR part 820 and ISO 13485 Quality Standard. This product has been inspected and tested in accordance with currently approved Mediatech, Inc. applicable material specification and drawing requirements.

The fluid pathways are classified USP Class VI and/or ISO-10993. The fluid path raw materials conform to the European guidance EMA/410/01 and the U.S. CFR Title 9 of Part 94.18

For research and manufacturing uses. Not for human therapeutic use.

**Physical Inspection:** Each manufacturing lot is sampled and tested in accordance with Standard Operating Procedures.

Visual Attributes: Visual examination of the product.

Packaging: Inspection for packaging integrity, accurate labeling and correct product configuration.

**Biological Reactivity:** All product contact materials have passed USP Class VI testing (USP <88>) and /or ISO10993.

**Irradiation Dose:** 27.8 KGY to 35.3 KGY

**Endotoxin:** Samples of finished containers were tested for the presence of endotoxin (per the USP Bacterial Endotoxins Test). Aqueous extracts contained  $\leq 20$  EU/device as determined by the Limulus Amebocyte Lysate Test (LAL).
